## INSTRUCTIONS

- A. Enter the name of the owner of record on the first line.
- B. Enter the permit number and source of water on the second and third lines.
- C. Print the name of the person signing the application and enter the signer's authority, i.e., permittee or agent, on the fifth line. Enter the permit number on the sixth line.

\* \* \* \*

- 1. Check the appropriate box regarding the permit owner(s).
- 2. If you answered "Yes" to question No. 1, check the appropriate box. If you answered "No" to question No. 1, skip to question No. 4.
- 3. If you answered "no" to question No. 2, list the party or parties you are representing.
- 4. If the extension is for proof of completion of work, state the estimated time to complete the diversion works. If for proof of beneficial use, state the estimate time to complete the total project.
- 5. Furnish the amount of expenditures on work and equipment to date.
- 6. Furnish the anticipated expenditure to complete the project.
- 7. The period of time requested may not exceed one year. Complete No. 7 by entering whether this request is for proof of completion of work and/or proof of beneficial use.
- 8. The State Engineer may grant an extension of time for good cause shown. The reasons given for requesting an extension of time should be fully explained. If the permit is for irrigation, state the number of acres currently being irrigated. If for quasi-municipal, state the number and type of units being served (use additional sheets if necessary).

\* \* \* \*

**The application must be signed by the person making the application and include his or her address and phone number in the spaces provided.**

**NOTE: Each application must appear with an original signature of the applicant or agent.**

**The application must be properly dated and notarized.**

**A separate application for extension of time is required for each permit.**

The application for extension of time must be properly completed, signed, notarized and submitted to the Office of the State Engineer, Nevada Division of Water Resources, 123 West Nye lane, Suite 246, Carson City, Nevada 89706-0818, with the \$100.00 statutory filing fee, on or before the due date as set forth in the permit terms.
